

14th International Conference on Database, Data Mining and Artificial Intelligence (DBDM 2026)

March 21 ~ 22, 2026, Sydney, Australia

Call for Participation

We invite you to join us in **14th International Conference on Database , Data Mining and Artificial Intelligence (DBDM 2026)**.

This conference will provides a premier forum for researchers, practitioners, and industry experts to present and discuss the latest innovations, trends, results, and challenges across databases, data mining, and AI driven intelligent systems. The conference aims to foster collaboration and knowledge exchange through high quality, peer reviewed research contributions..

Highlights of DBDM 2026 Include:

- 6th International Conference on NLP & Text Mining (NLTM 2026)
- 14th International Conference on Instrumentation and Control Systems (CICS 2026)
- 6th International Conference on IOT, Big Data and Security (IOTBS 2026)
- 6th International Conference on Computing and Information Technology (COIT 2026)
- 13th International Conference on Computer Networks & Communications (CCNET 2026)
- 6th International Conference on AI, Machine Learning and Applications (AIMLA 2026)

Registration Participants

Non-Author/Co-Author/ Simple Participants (no paper)

100 USD for Online (Without Proceedings)

490 USD for Face to Face (With Proceedings)
