

Call for Participation

We invite you to join us in **6th International Conference on NLP & Text Mining (NLTM 2026)**.

This conference will invites high quality research contributions from academia, industry, and government. NLTM provides a global forum for presenting innovative research, exchanging ideas, and exploring emerging trends in Natural Language Processing, Text Mining, Large Language Models, and AI driven language technologies. We welcome original research papers, surveys, case studies, and industrial applications that demonstrate significant advances in theory, methodology, systems, and real world deployment.

Highlights of NLTM 2026 Include:

- 14th International Conference on Database and Data Mining (DBDM 2026)
- 14th International Conference on Instrumentation and Control Systems (CICS 2026)
- 6th International Conference on IOT, Big Data and Security (IOTBS 2026)
- 6th International Conference on Computing and Information Technology (COIT 2026)
- 13th International Conference on Computer Networks & Communications (CCNET 2026)
- 6th International Conference on AI, Machine Learning and Applications (AIMLA 2026)

Registration Participants

Non-Author/Co-Author/ Simple Participants (no paper)

100 USD for Online (Without Proceedings)

490 USD for Face to Face (With Proceedings)
